BOROUGH OF MONTOURSVILLE
LYCOMING COUNTY, PENNSYLVANIA
TOBACCO-FREE RECREATION AREA POLICY

PURPOSE

The purpose of this policy is to provide a clean, healthy and smoke free environment in which children and adults may engage in recreation. Borough Council believes that tobacco use in proximity of children and adults engaging in or watching recreational activities is unhealthy and detrimental to the health of others. Once consumed in public places, tobacco products are often discarded in an unhealthy and unsightly manner. Therefore, Borough Council deems it wise to prohibit tobacco use in the Borough's recreation areas.

TOBACCO-FREE RECREATION AREAS

The Borough of Montoursville does not allow any tobacco use as Indian Park or at the Mill Street recreation area, including the boat launch. This includes all playgrounds, parking lots, pavilions, athletic fields, spectator areas, concession areas and other open spaces owned by the Borough at those locations. No employee, spectator, program participant or any other person may use tobacco products in these areas.

COMPLIANCE PROCEDURES

The emphasis on enforcing this Tobacco-Free Recreation Area Policy is through voluntary compliance. However, the following shall apply to Indian Park and the Mill Street Recreation area:

1. To the extent reasonably possible, the Borough-owned playgrounds, parking lots, pavilions, athletic fields, spectator areas, concession areas and other open spaces at Indian Park and the Mill Street recreation area shall be posted with signs indicating that those spaces are tobacco-free environments.
2. Borough staff shall inform all organizations using Indian Park and the Mill Street recreation area of this policy.
3. As staffing reasonably permits, Borough staff will make periodic observations of activities at Indian Park and the Mill Street recreation area to monitor compliance and to help promote awareness of the policy.

THIS POLICY SHALL BE POSTED CONSPICUOUSLY AT THE BOROUGH OFFICE ON A PUBLIC BULLETIN BOARD.

This policy shall take effect February 1, 2014
